Our Starting Point

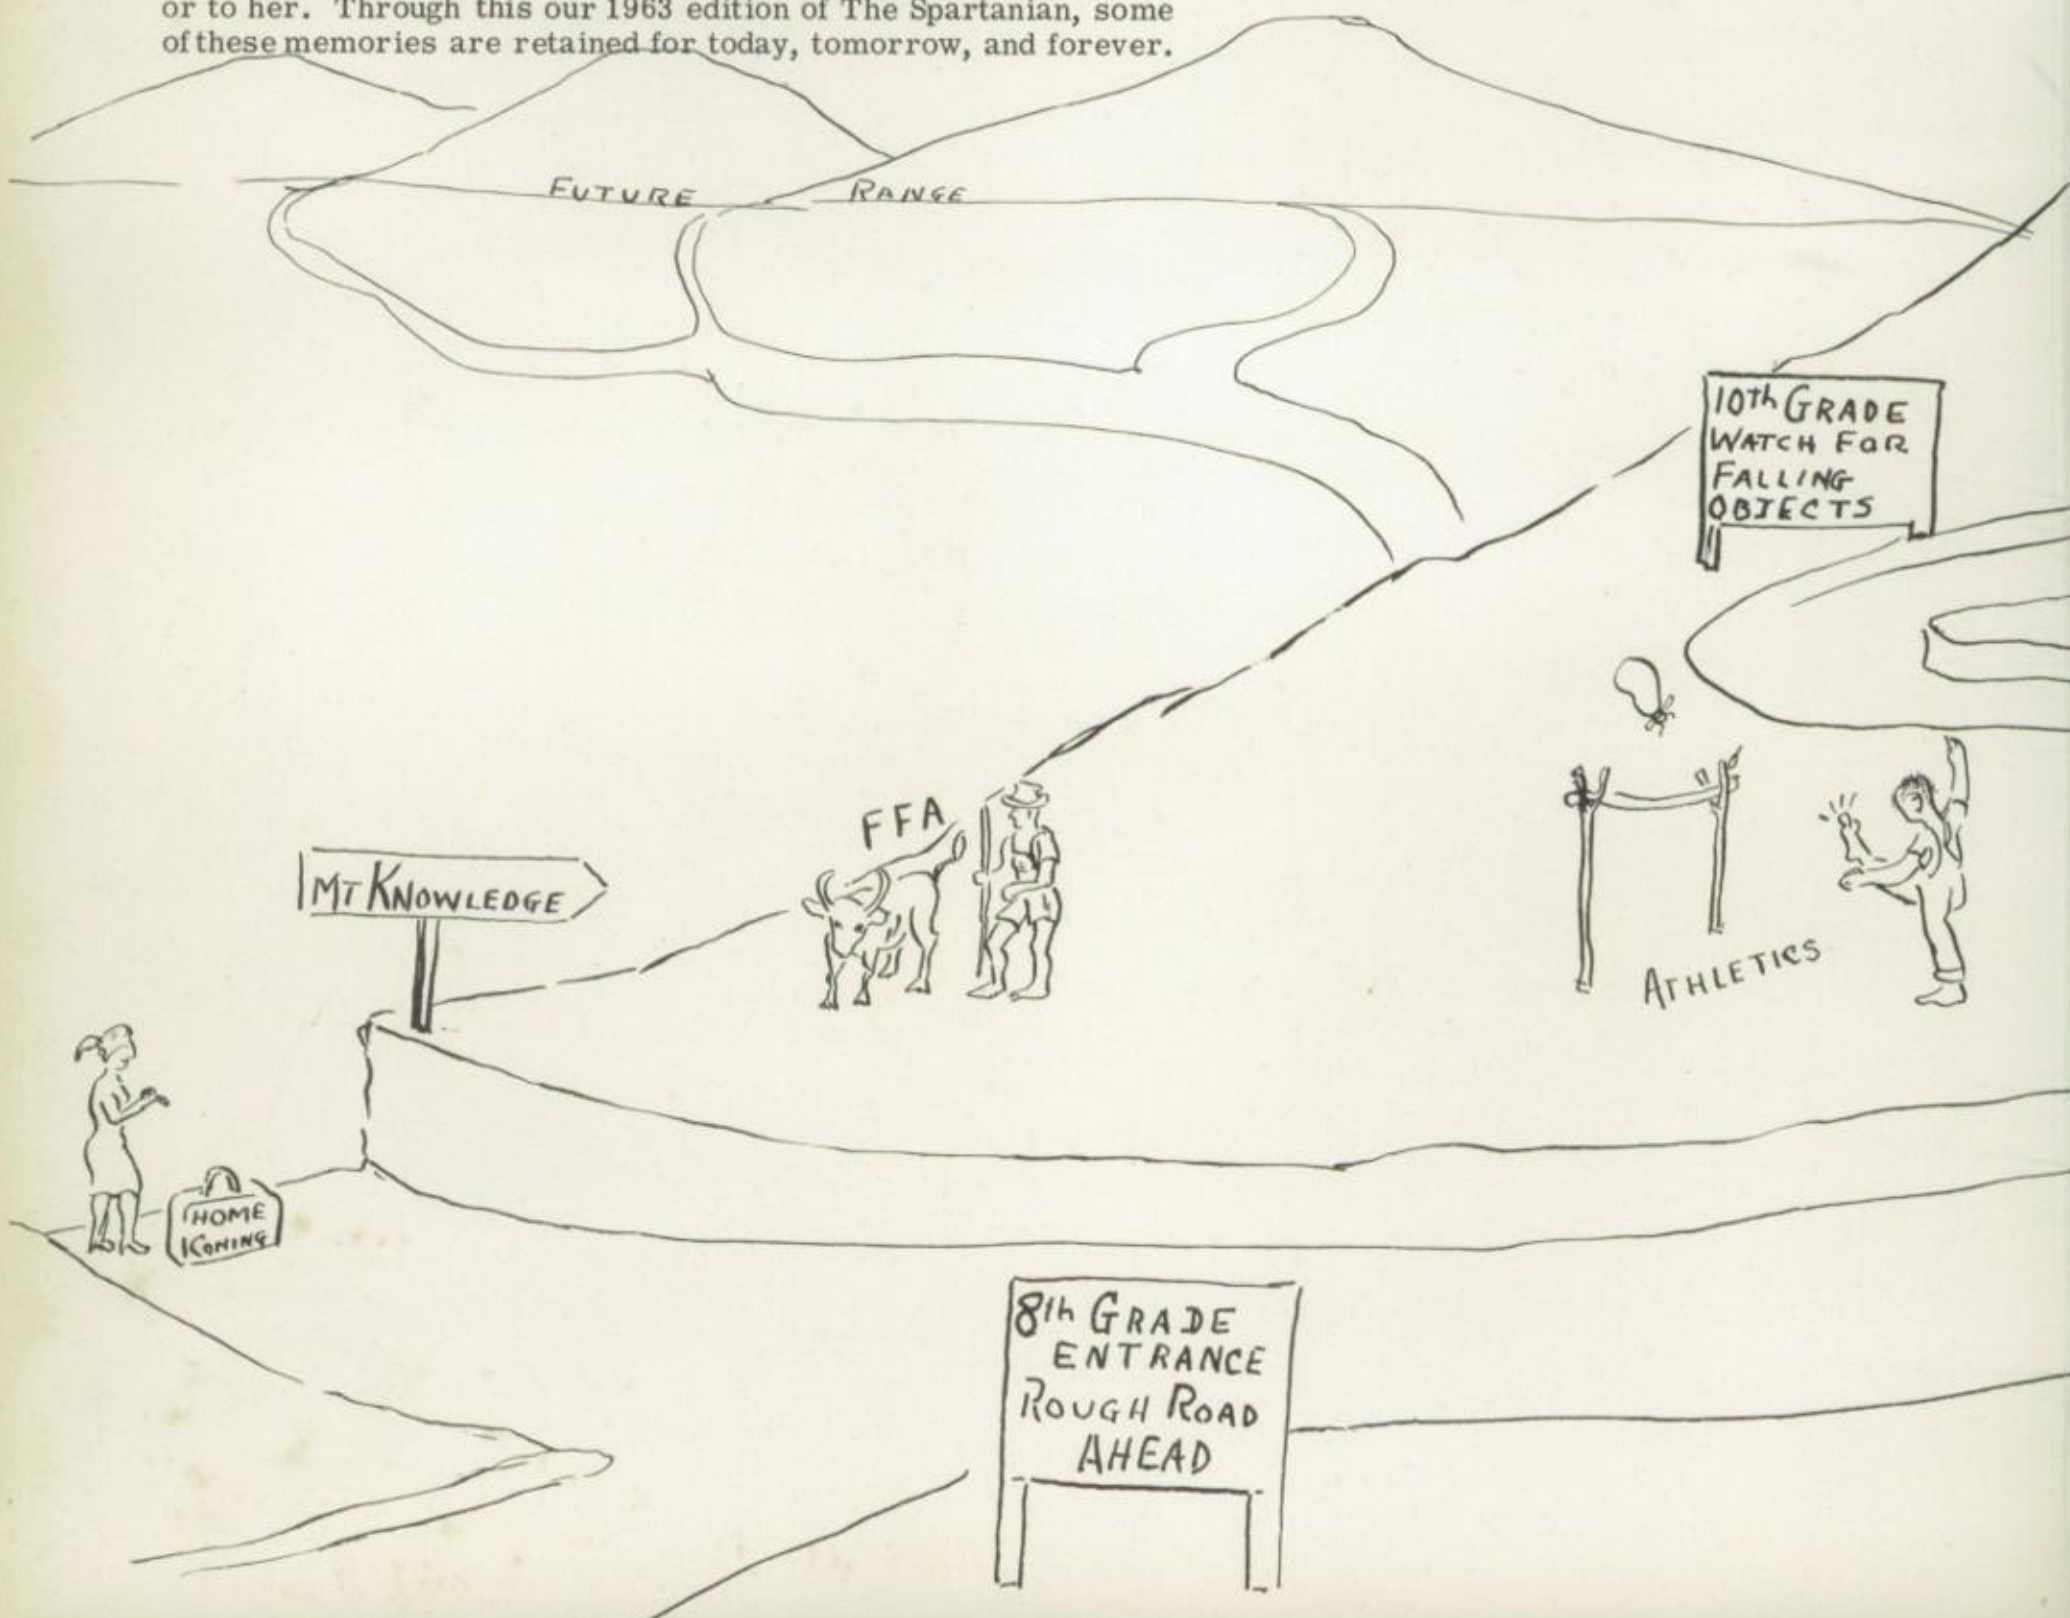

In this fast moving era, special emphasis must be placed on a well-rounded education for every individual. Drewry Mason High School strives to offer this type of education to prepare citizens for the community of tomorrow.

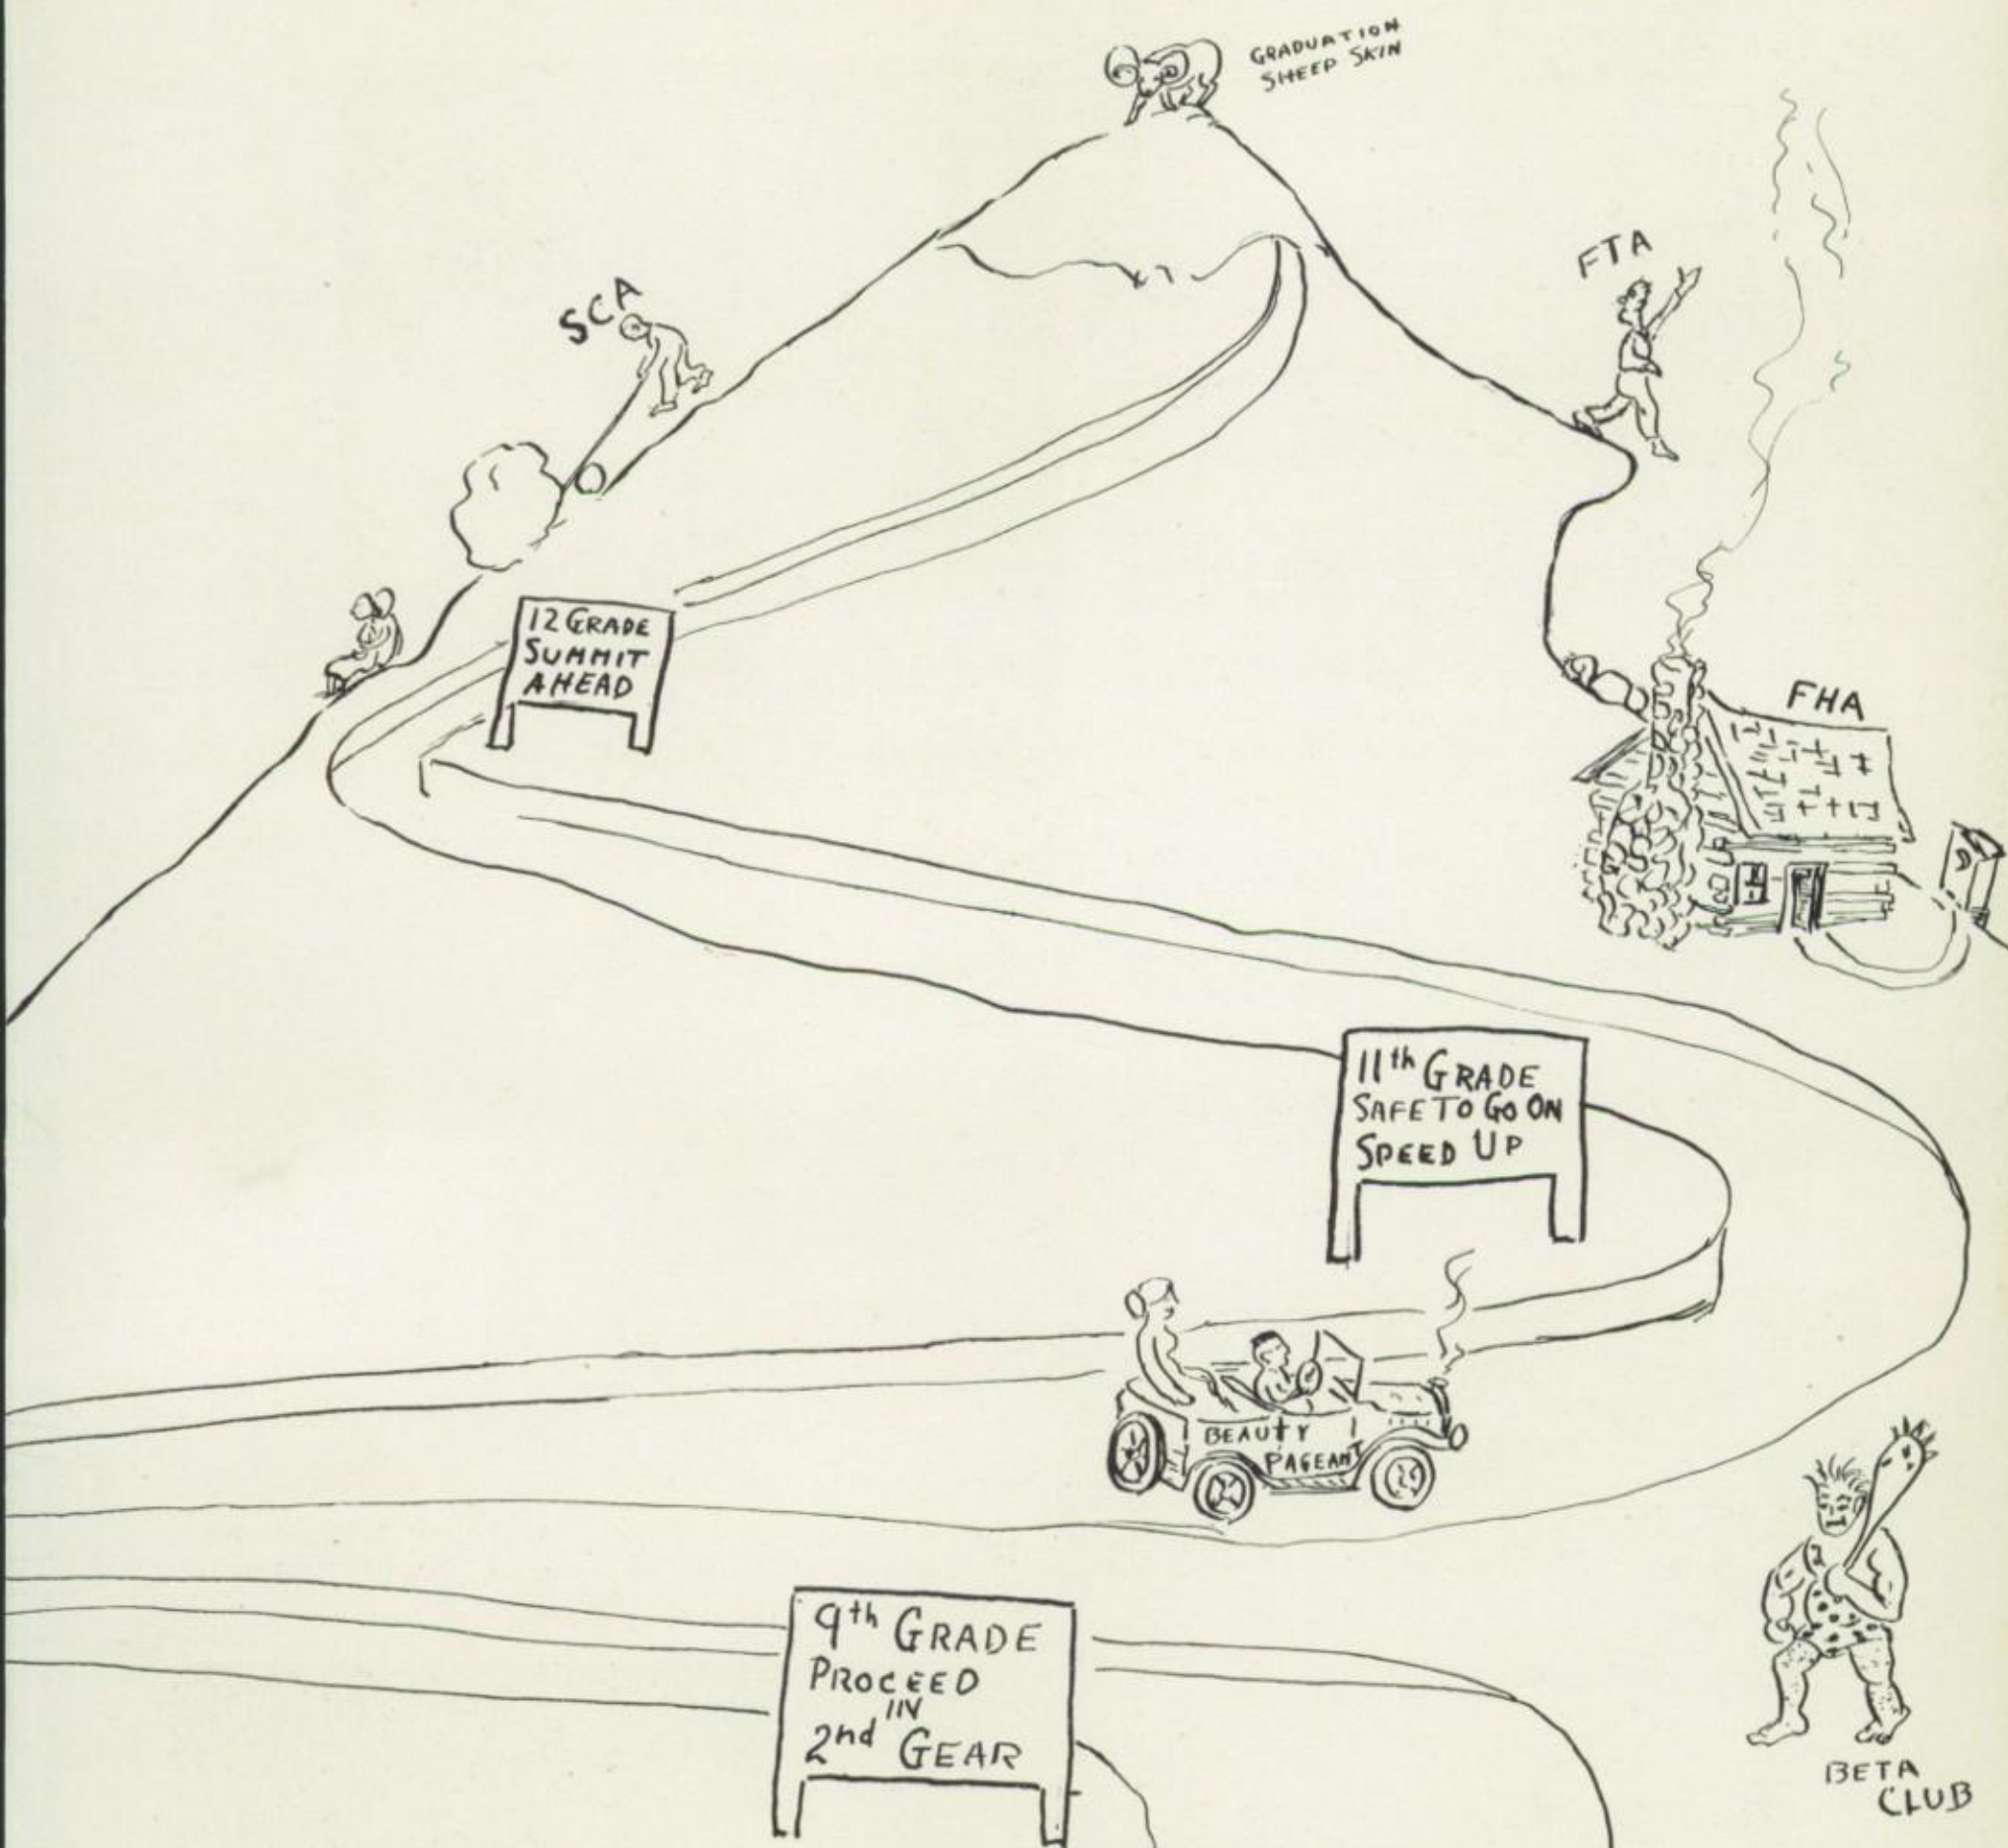

Drewry Mason has an enrollment of over 950 students, coming from more than two hundred and fifty-six of the three hundred and eighty-four square miles of Henry County. Miles and miles by bus, over secondary roads and state highways these students come each day, some from 30 miles away. This year, a larger number of students are in walking distance, due to the several attractive housing developments which have sprung up around the school.

The more than 50 subjects, offered by the 48 members of the faculty, in themselves offer a challenge to the student who accepts it. College preparatory courses and vocational training classes attempt to meet the choices of each student.

The journey towards graduation through any or all of these would be incomplete without the cultural events which add to a well-rounded education. Our well organized clubs train the future civic leaders to avoid the pitfalls of motions and nominations. The athletic program gives individuals the opportunity to put forth their best effort for their school and to practice the true meaning of team work and sportsmanship

Drewry Mason is ours, -each member of the student body, -it can be what we work and strive to make it. Wherever we go, on our educational journey, whatever we do with the challenge offered us on our individual journeys, we will always be a part of this high school. When we leave, each individual will retain a consciousness of the highlights which have made this year and other years particularly important and vitally significant to him or to her. Through this our 1963 edition of The Spartanian, some of these memories are retained for today, tomorrow, and forever.

Mrs. Motley and Mrs. Lee prepare the tables for a teachers meeting held in May.

Mr. Siegert's art class depicted the true meaning of Christmas in the Library display window.

Miss Cassie Rea

The success of the school's mission is dependent on the day-by-day labors of the librarian. Securing materials-from visual aids for teachers to the latest newspaper for student or faculty use, often takes even Miss Rea's lunch hour. Before school or after the three-twenty bell, Miss Rea is either helping someone find needed material for some report or checking new book arrivals-or placing books back on the shelf-perhaps securing books for new students. In the spring, Miss Rea begins planning for the new "Library Units", which are to be ordered for another year. Our journey through high school is smoother and happier because of her efforts for all and for each-teacher or student. Honor is due her!

WE HONOR SERVICE

It is fitting that we honor the chairman of the department which makes more use of the library than any other-Miss Mildred Huddle of the English Department. All of the approximately one thousand students enrolled take an English class, from eighth grade special classes, onto English Composition for the Seniors who started English four years ago. All Juniors pass through Miss Huddle's English III-at one time or another. Outside of the classroom, Miss Huddle has directed the activities of the S.C.A.-this is a service to all of the students, as the plans for the year are carried out. Each officer of S.C.A. and each Junior knows that Miss Huddle can be counted on-be it activities or class help. Honor is due her!

Miss Mildred Huddle

Miss Rea types a Library Card in her office, to be used later for a student.

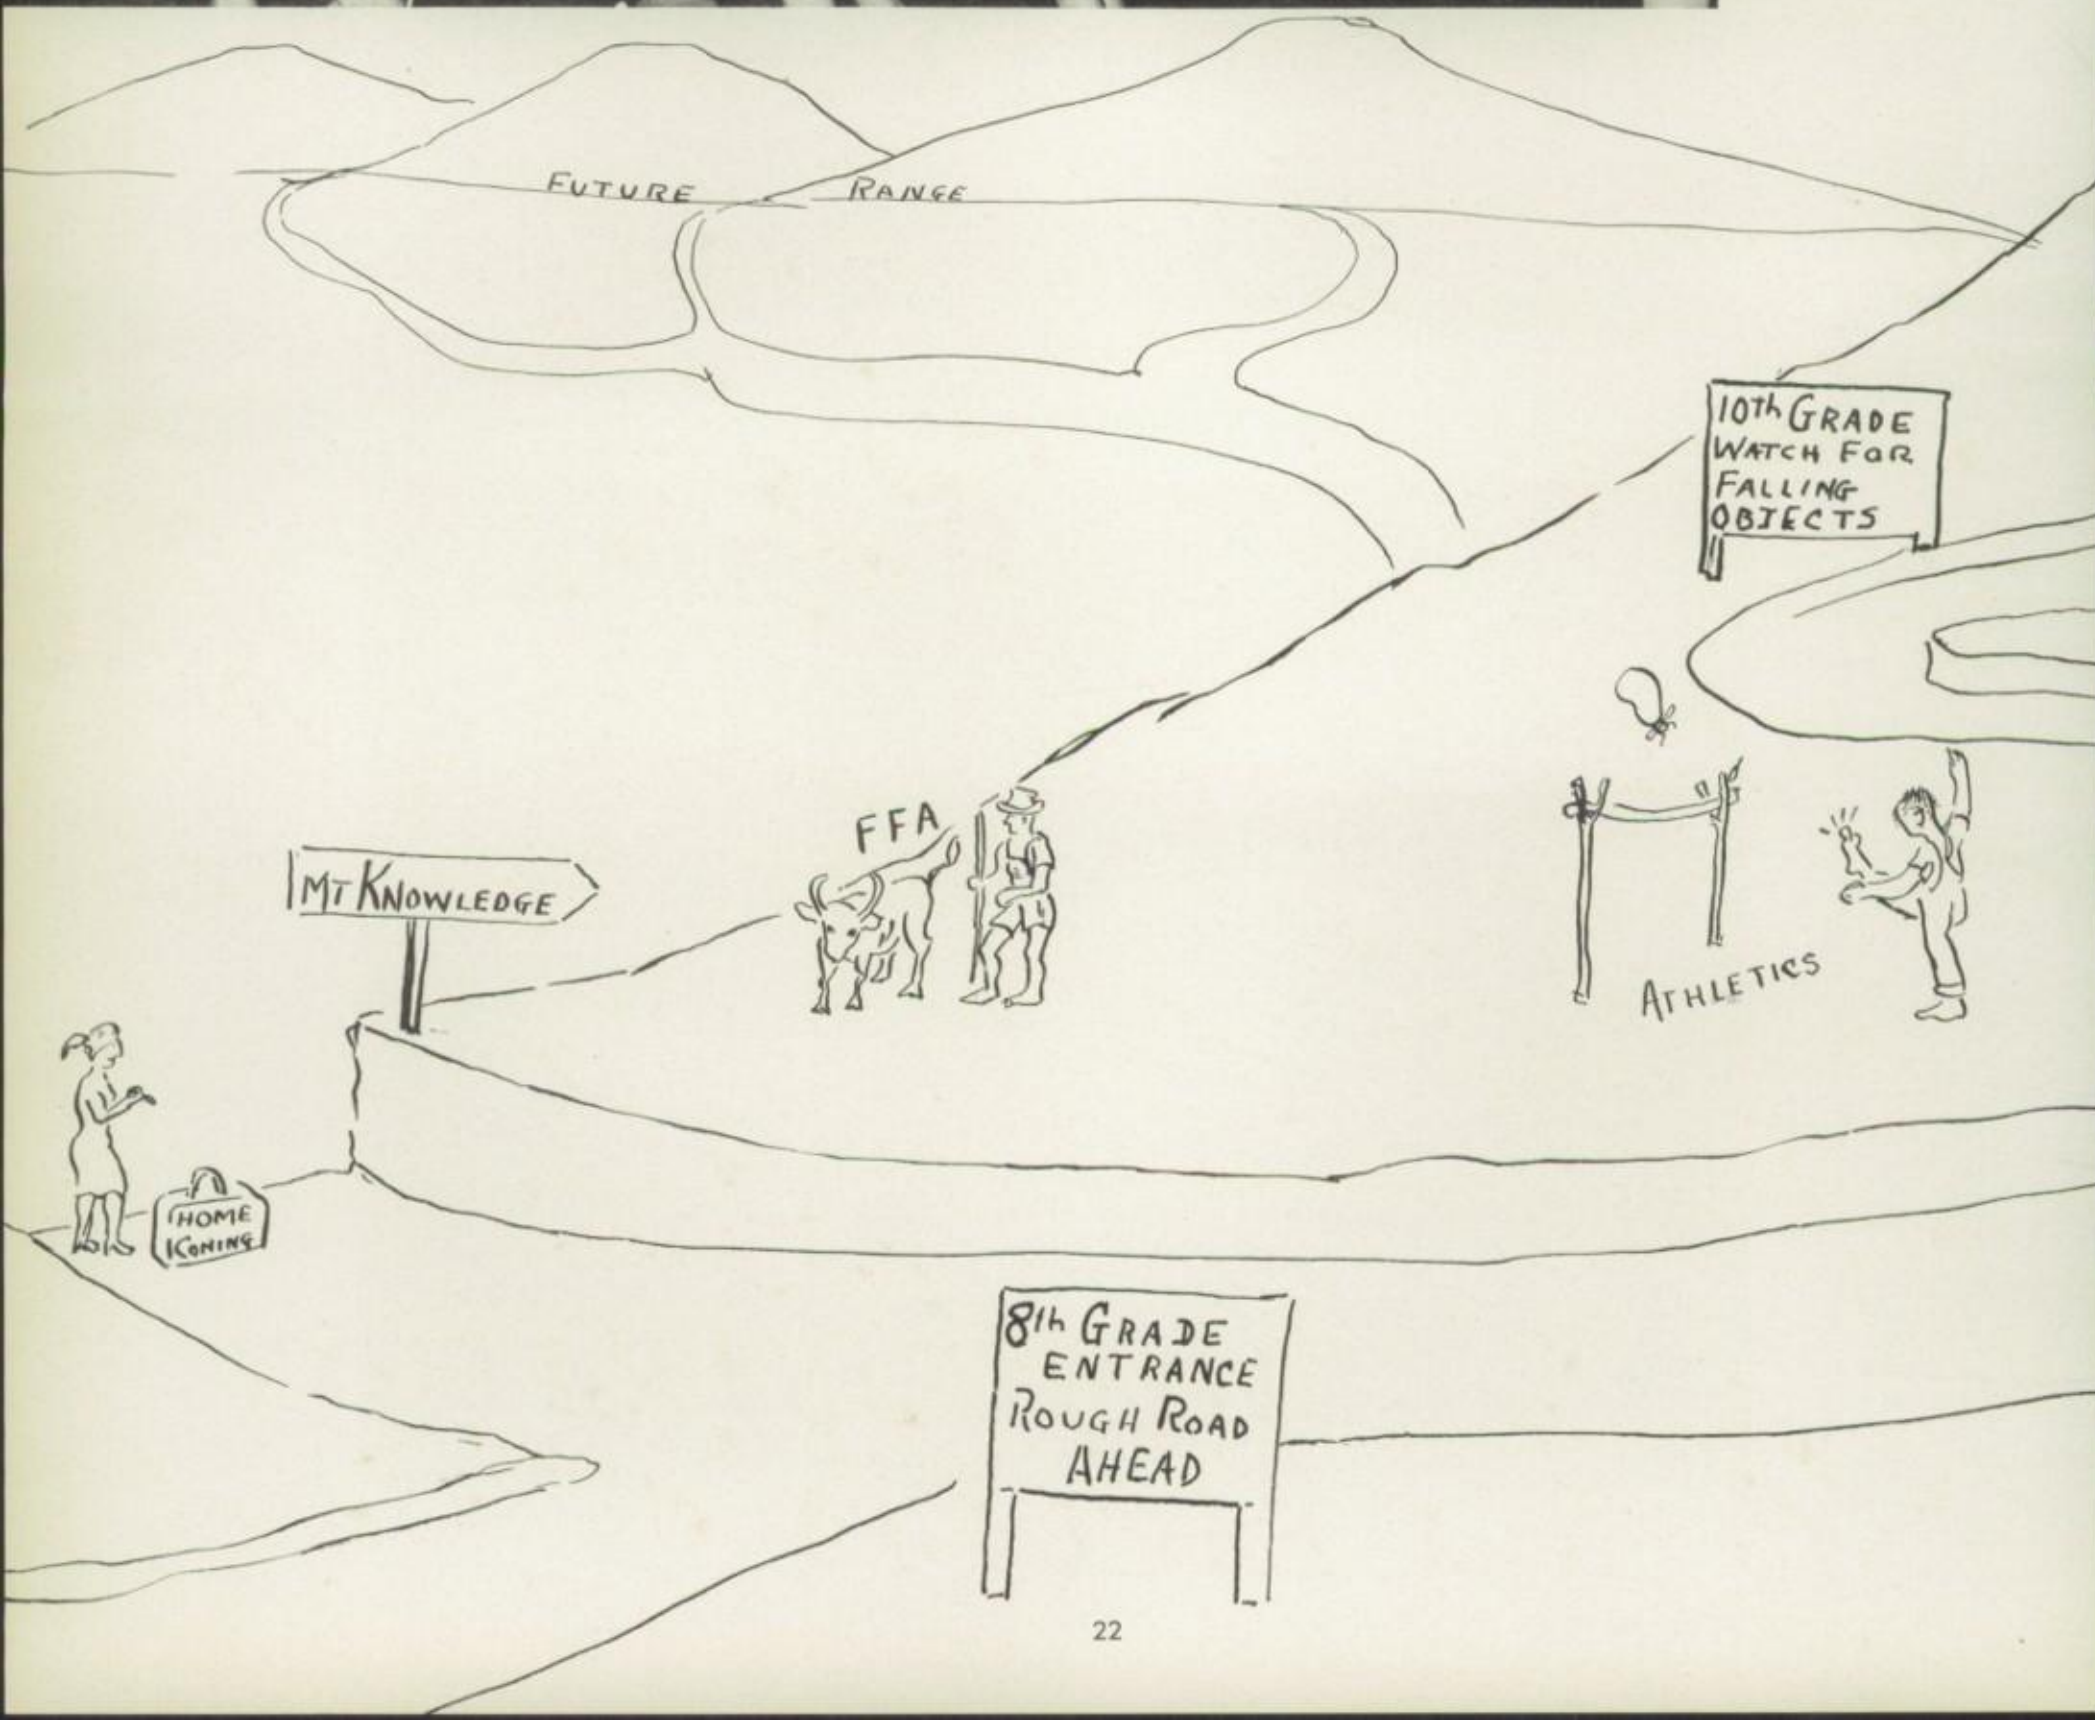

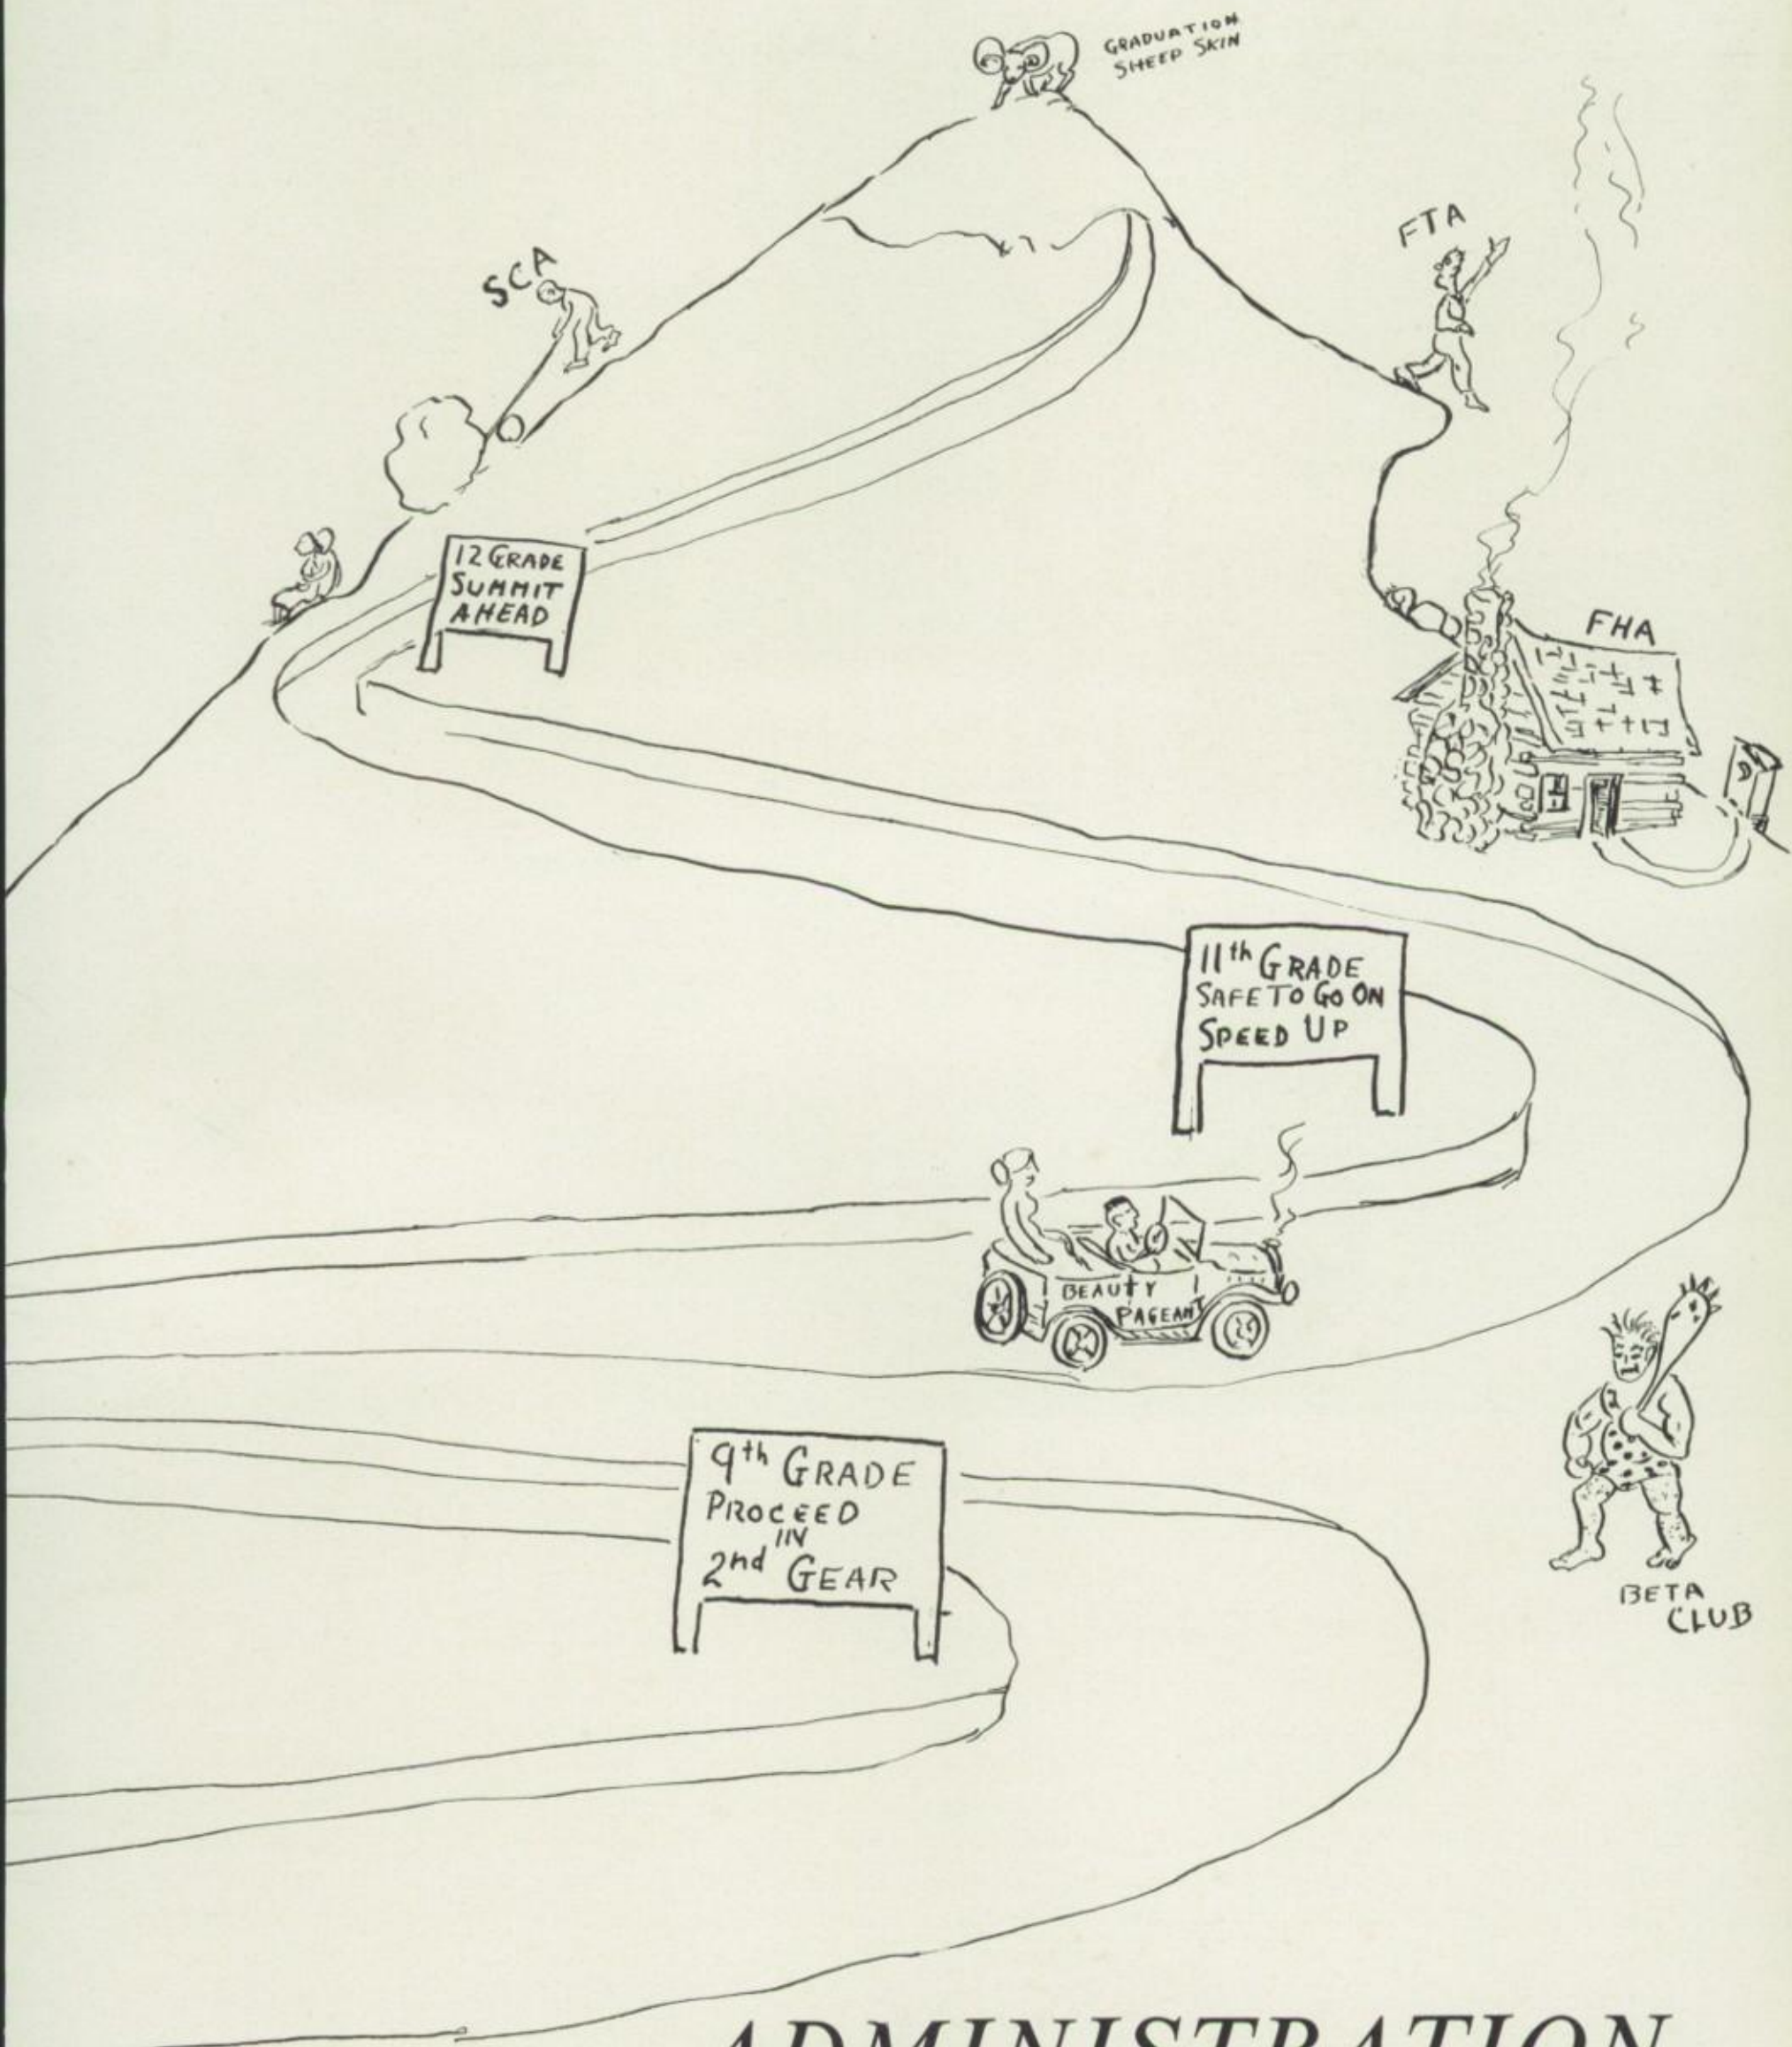

Miss Huddle listens for a junior recitation in an English III class.

... AND THOSE WHO GIVE THAT SERVICE

New books are interesting to both!

ADMINISTRATION FACULTY

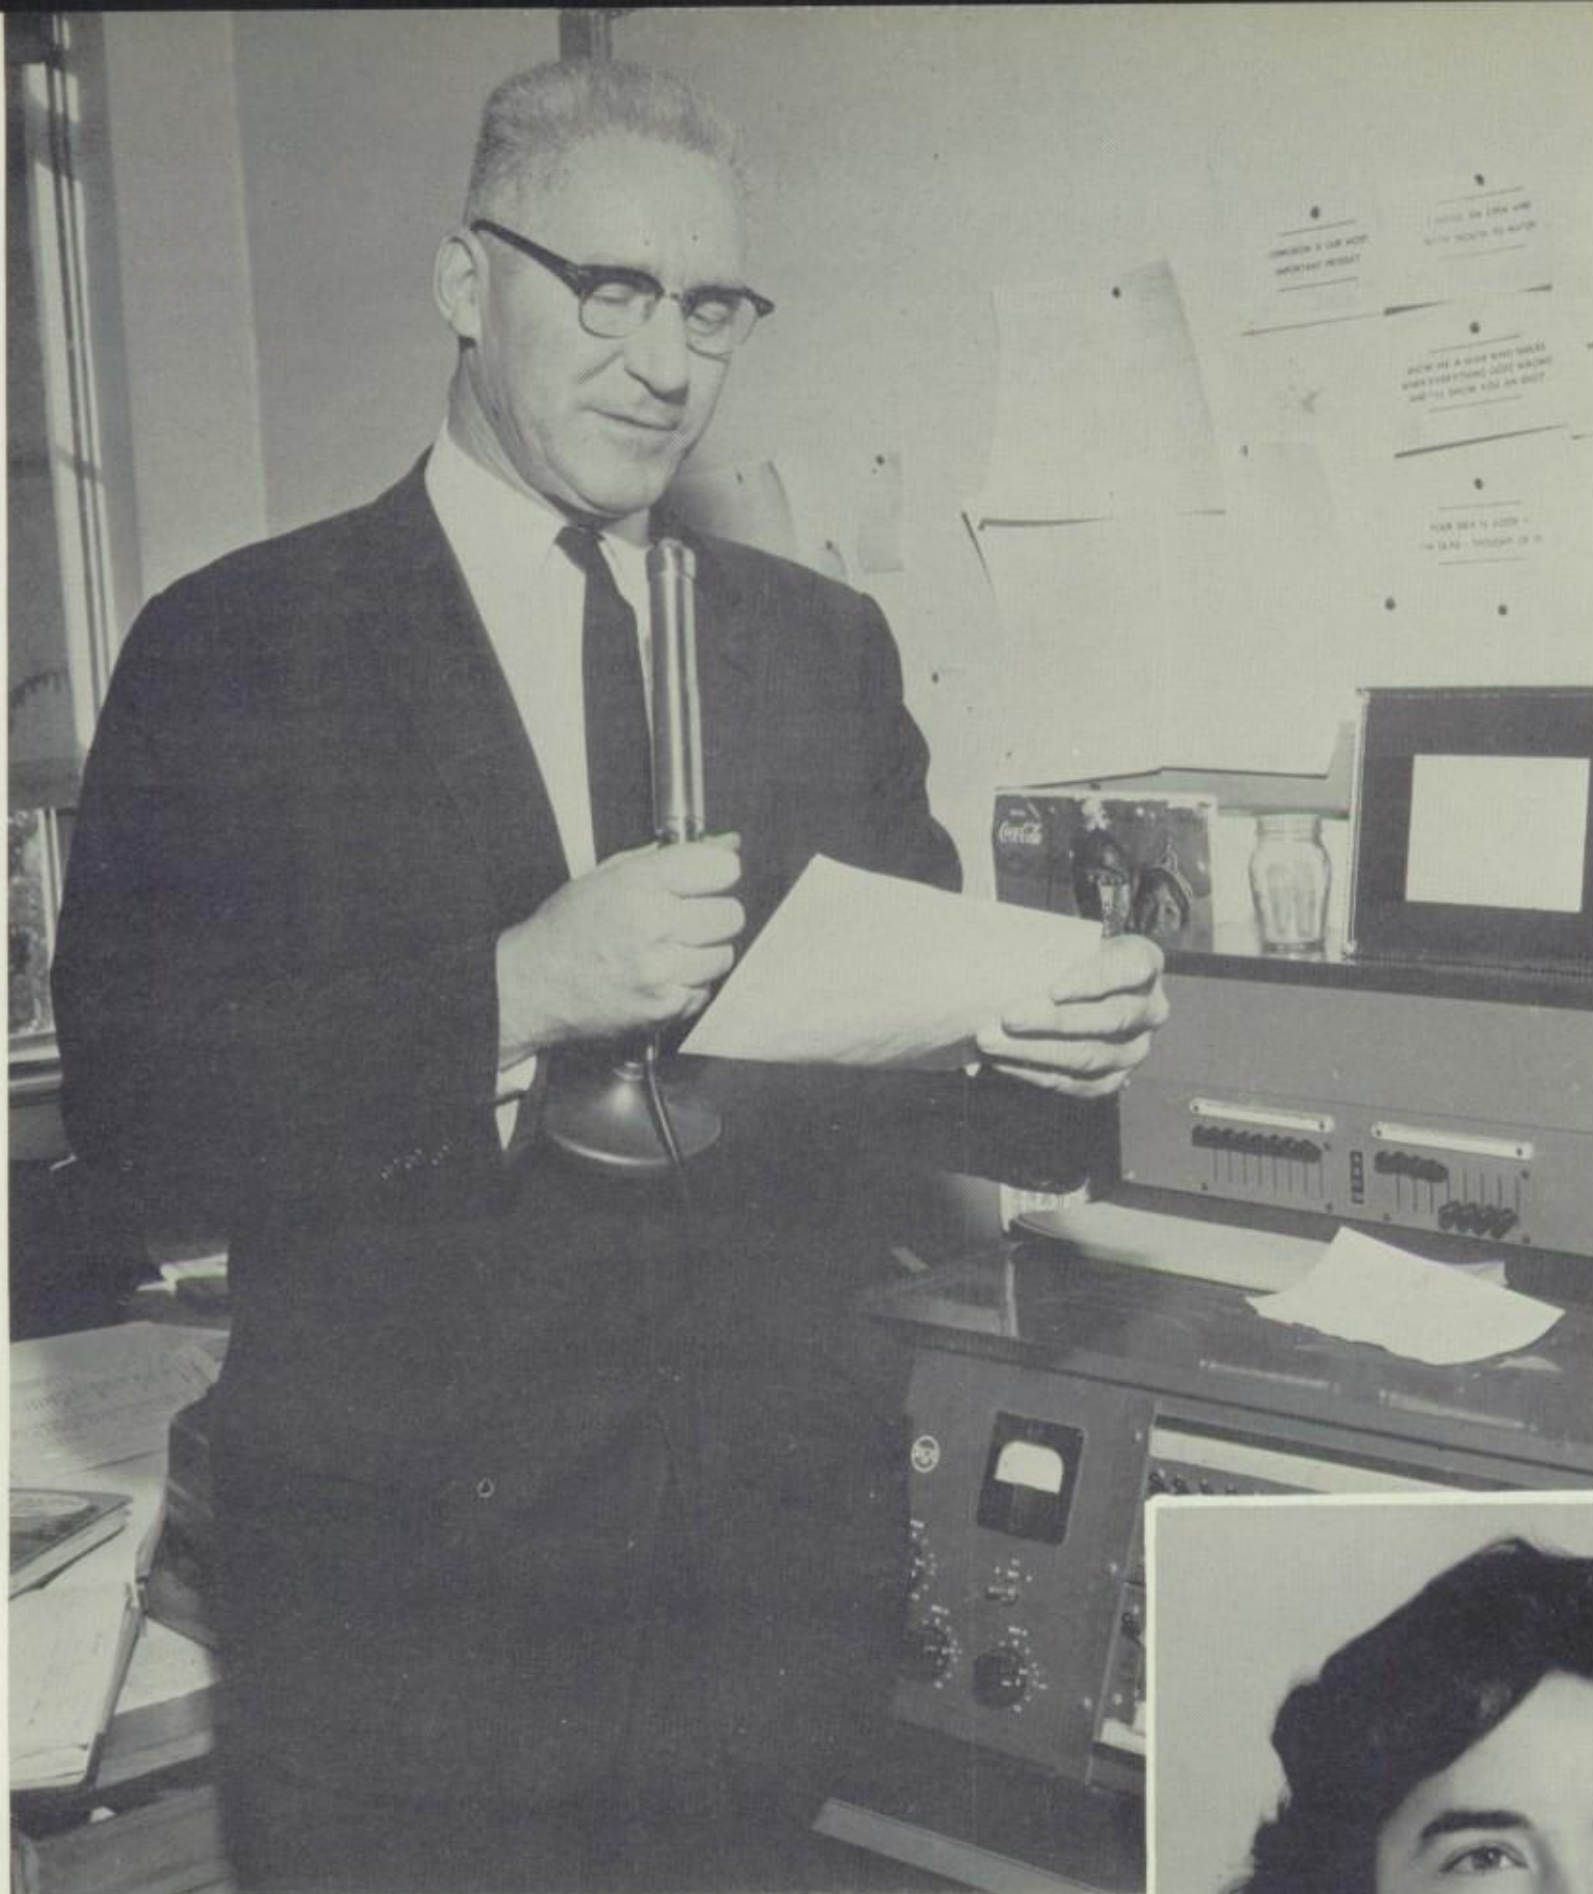

Mr. E. M. Dickerson and Mr. O. E. Pilson enjoy a luncheon get-together with Mr. B. K. Rives, Superintendent of Henry County Schools

PLANS FOR 1962-1963 JOURNEY MADE BY

Upon the retirement of Mr. J. Foster Hollifield in June, 1962, Mr. Branch K. Rives assumed the responsibilities of Superintendent of the Henry County School System. Mr. Rives had formerly served as Director of Instruction, under Mr. Hollifield. As Superintendent of Henry County Public Schools, Mr. Rives automatically becomes clerk of the County

School Board. The Board is composed of Mr. J. Norman Holland, Leatherwood District; Mr. Paul Richardson, Chairman of Board, Irishburg District; Mr. Henry D. Whittle, Martinsville District; Mr. Robert L. Taylor, Horsepasture District; Mr. Thomas B. Stanley, Jr., Reed Creek District; and Mr. George R. Burpeau, Ridgeway District.

Mr. O. E. Pilson, Principal

ADMINISTRATIVE STAFF

Can you possibly think of Drewry Mason High School without thinking of Mr. Pilson? His schedule, a busy and demanding one, was broken into when he represented Henry County at the Southern Association of Colleges and Secondary Schools in Dallas, Texas.

Equipped with interest in all phases of school life, he follows the various teams and their standings in the Blue Ridge District. He directed the committee of the faculty who brought in the revised copy of the school philosophy and the plans for a safe driving club in response to the State Department's request.

He signs all the checks for the expenditures of the various organizations. His interest in the community projects is evidenced by his willingness to serve as treasurer of the Touchdown Club and the Summer Recreation Program.

Mrs. Peggy Barnes,
Secretary

Mr. E. M. Dickerson,
Assistant Principal

"Have you seen Mr. Dickerson?" The person asking that question may be a teacher, seeking help with a problem, or a pupil needing permission to leave school. Our Assistant Principal was out of his office perhaps to supervise a certain class; to call a pupil's home to see why that pupil was out of school today or to fix a locker that wouldn't open correctly. He could have been checking cafeteria receipts, as he does, every sixth period--or doing any one of the many helpful things he does everyday to keep our school running smoothly. Mr. Dickerson has won the esteem of faculty and students by his willingness to help anyone, anytime in anyway possible.

VOCATIONAL STAGES OF THE JOURNEY

"Excuse me, please, may I have a Conference with you third period on Wednesday?" These and many others are the requests which confront the members of the Guidance Department each day, many times a day.

Mrs. DuPuy and Mr. Garber are busy guiding students now and trying to prepare them for their journey after graduation. Their work consists of counseling with students and teachers; processing the college transcripts of anxious seniors; helping students with their schedule; answering telephone calls concerning some former graduate or pupil of Drewry Mason about a job; and last but not least, they help to create a better understanding between teacher and pupil.

They help to make our journey from eighth grade to graduation a trip of exciting adventures through their inspiration and encouragement.

EIGHTH GRADE DISCOVERS

The new Spartans began their high school journey with excitement and enthusiasm for the experiences that would be encountered at Drewry Mason, for they came from many different elementary schools.

In the fall, a boy and a girl were selected from each of the ten eighth grade homerooms. These served as leaders for the class during the year, and represented the class in S.C.A. meetings.

As a result of the advanced academic program, one section of the eighth grade had the opportunity to take Spanish or Latin. Ten were members of the school band and one was a member of the choral group. For the first time the eighth graders had separate assemblies. The students and sponsors planned and produced their own programs.

The eighth grade classmen, whose enrollment is the largest ever at Drewry Mason, participated in many activities. The

eighth grade football and basketball teams, coached by Mr. Newby and Mr. Parker, respectively, played regular schedules. Many eighth grade sportsmen participated in the activities of the Junior Varsity teams. Patsy Pearman, Betty Lou Talbert, and Sheila Jefferson were chosen as members of the Junior Varsity Cheerleading Squad.

All these things that were accomplished helped to complete the first step of their journey in becoming Seniors. Under the leadership of their ten sponsors, Mrs. Lee, Chairman, Miss Huddle, Mr. Parker, Mr. Thomas, Mrs. Shelton, Mrs. Eggleston, Miss Webb, Miss Morris, Mrs. Clanton, and Mrs. Mize, they began to build hopes and goals which they plan to achieve. They leave their positions as eighth graders to complete the steps which will carry them through their journey through Drewry Mason High School.

SECOND LAP OF JOURNEY

The fall of '62 revealed the Freshman Class eager to begin their second journey on the trodden paths of Drewry Mason High School. To build their treasury, the Freshmen paid class dues in the fall, and sold stationery in the spring. These two projects helped shorten the journey detours to other activities in the future of this year's Freshman Class.

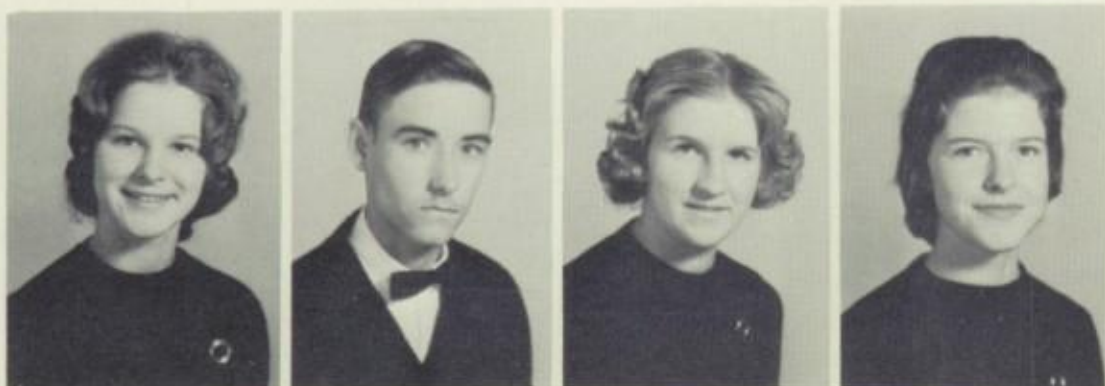

The Freshman eagerly participated in the athletic division of the Spartans' journeys. All junior varsity teams contained Freshman representatives. Tommy Stevens and Steve Minter held an active position on the varsity football team. The Freshmen proudly boasted having George Seals on the varsity basketball team. Rita Miles, Ann

Pulliam, and Penny Mize were members of the J. V. Cheerleading squad.

1962-63 was a year which afforded some Freshmen valuable training in leadership, for some held club office. Lowry Shropshire was elected to lead the Hi-Y as president, and Ann Pulliam served as treasurer of the Spanish Club.

The Freshman Class enjoyed its '63 journey under the guidance of the following sponsors: Mr. Curry, Chairman; Mrs. Rorrer; Mr. Dewar; Mrs. Clark; Mrs. Carter; Mr. Crouch; and Mr. Magruder.

Journeys through three more interesting years at Drewry Mason challenge the Freshman class.

SOPHOMORES ENTER THIRD

The Sophomore Class of 1963 has set a good example for oncoming Sophomores. Represented in club activities and all sports, the Sophomore Class showed commendable school spirit on their journey through 1962-63.

Their curriculum proved to be challenging with Algebra II, plane geometry, Spanish II, and advanced English as part of their chosen courses.

Honors came to three Sophomore girls, who made All-State Band--Betty Crutchfield, Jo Ann Eggleston, and Shirley O'Dell. Their Sophomore journey will be highlighted by their participation in the All-State Band Concert in February in Danville.

Three girls, Gloria Riddle, Sharon

Jefferson, and Sandra Dew, were on the Varsity Cheerleading Squad. Three others, Judy Webster, Nancy Byrd, and Kitty Keller, were on the Junior Varsity Cheerleading Squad.

The entire class participated in some fund raising project. The big social event of the year, for the Sophomores, was the Spring Formal, which has become a tradition.

Mrs. Pollok, Mrs. Davis, Mrs. Gregory, Mr. Siegert, Mr. Newby, Mr. Fitzell, and Miss Owen divided responsibilities as Sophomore sponsors.

Halfway through their high school journey, the Sophomores anticipate the activities and classwork of the coming journey, more eagerly than ever before.

Ellen Bouldin, Dianne Doyle, Linda Miles, Ann Winn, Patsy Riddle, and Mr. Garber discuss the coming events of the Junior Class.

FOURTH LAP OF

Ellen Bouldin, President; Dianne Doyle, Vice-President; Patsy Riddle, Secretary; Linda Miles, Treasurer; and Ann Winn, Reporter; with the help of their sponsors, have guided the 1962-63 Junior Class of Drewry Mason High School through the fourth year of their journey.

Working closely with the class were Miss Fugate, Mrs. Wickham, Mrs. Covington, and Mr. Childress, under Mr. Garber, as head sponsor. Under their direction, the class undertook many projects which supplemented the class treasury. These included the selling of paperback books and Christmas cards; entering a float in the Martinsville Christmas parade; and producing the traditional Junior Play.

The Junior Class was well represented in all extracurricular and curricular activities. These included everything from sports to special classroom projects. Special honors in the sports department went to Bill

Sizemore and Mike Pulliam. Four girls represented Drewry Mason and the Junior Class in the All-West Chorus held in February; Esta Kirk, Carol Barker, Linda Turner, and Ellen Bouldin. Beta Club membership included thirteen members of the class. Some club officers were supplied by the Junior Class.

In the Spring, the Junior Class honored the Seniors with the traditional Junior-Senior Banquet and the Prom. Long hours were spent in the preparation of the gym and cafeteria for these very special spring events. The gala evening is now a night held in fond memory by everyone who attended.

The nine months of the Junior Class journey passed quickly; when they ordered their Senior rings they knew that the year would soon close. This was indeed a journey of one hundred-eighty days of work, study, and fun.

President Elaine Brewer meets with Executive Committee composed of Doug Barnes, Becky Redd, Linda Byrd, Boyd Lintecum, Willard Webb; Treasurer,

Charles Speakman, Secretary, Barbara Porter, Vice-President, Raleigh Myers, Head Sponsor, Mr. William Coplin.

BEGINNING LAST

Everything seemed strange and exciting when they entered Drewry Mason High School in 1958 as eighth graders. Learning to adjust to new situations and surroundings, they organized themselves as a class and began their high school journey towards becoming Seniors.

As Freshmen, they were challenged by the Spartan, the ever-present spirit of Drewry Mason. Faced with responsibilities, they began to take more interest and pride in their school and their selection of classes.

The Sophomore year was faced with the determination to overcome the difficulties of classwork, as they joined the numerous prominent organizations. Under the leadership of President Ernie Seals, they sponsored the successful "Pineapple Prom", and chose their class colors--pink and white.

Newly elected, president, Elaine Brewer, worked with one hundred eleven class members to make the Junior Journey a successful one. Christmas cards were sold in order to increase the treasury. They honored the Class of '62 with the annual Junior-Senior Banquet and Prom, carried out to the theme "Blue Hawaii." Another memorable event of their Junior Journey was the successful production of "Arsenic

and Old Lace."

On August 30, 1962, the first of one hundred-five seniors enrolled at Drewry Mason. Each time they marched down the aisles for assemblies or served as leaders for organizations, they felt the importance of their position. The arrival of class rings in October increased their prestige. The responsibility of Senior Class President was placed in the hands of Elaine Brewer, who had gained their confidence as class president in the previous year. A more serious production in the presentation of the three act play "Inherit the Wind," was undertaken, under the direction of Mr. Richard M. Bell. Phyllis Fugate won the coveted position of Queen of the Snowball Dance, which was staged to the theme of "Sleigh Bells." The long awaited trip to New York and the Junior-Senior Banquet and Prom presented in their honor, climaxed this important year.

Although many of the 105 enrolled will be glad to graduate, they will never forget the knowledge that was gained from teachers, fellow students, activities, but most of all they will never forget the Spartan, the spirit of Drewry Mason High School, through all stages of their journey.

S. C. A. REPRESENTED AT PRINCIPALS'

Mr. Spencer speaks to seventh-graders concerning the different classes of music (on Orientation Day). This day is sponsored by the S. C. A. to acquaint future eighth-graders with the organization of the school.

Larry Wood and Bobby Lawson prepare poster for library campaign.

The S.C.A., the link between the faculty and student body, is composed of representatives from the different classes and organizations. With Kerry Young heading the council, a successful assembly was presented on school spirit, and through a candy-selling campaign, the S.C.A. raised money for improving the library. Also, a library week was held in an attempt to get lost books returned.

In February, elections were held from two parties for selecting officers for the year 1963-64. Mike Pulliam, next year's President, has attended the S.C.A. workshop in order to have a more successful S.C.A. at Drewry Mason.

The President and Vice-President, along with Miss Huddle, accompanied Mr. Pilson to the principals' conference in Danville.

Joe Shropshire, outgoing S.C.A. President, administers the oath of office to incoming President, Kerry Young.

ACHIEVEMENT—CHARACTER—LEADERSHIP—

A candlelight service inducted new members; Dianne Doyle, Ann France, Tommy Scott, Joan Wright, Tommy Joyce, Keith Pratt, Lowell Hill, Barbara Porter, Richard Moore, Ellen Bouldin, Ronnie Hennis, and Bonnie Montrief.

Through various projects, the Beta Club sought to live up to its motto: "Let us Lead by Serving Others".

Four times a day the Beta Club members operated the Beta Store, selling school supplies on a 50-50 basis with the school's general fund.

One of the most successful White Christmas drives ever held was conducted by the Beta Club in conjunction with the other organizations in the school. Three carloads of food, clothing, and toys were delivered in addition to almost fifty dollars in cash.

Following the White Christmas Service, members of the club presented the annual Christmas Pageant, "What the Christmas Cherub Saw". The choral group assisted with appropriate Christmas selections.

A Tutoring Service was offered through the teachers to those students who needed help with their class work. A number of students accepted this offer.

Mrs. Eggleston, Mrs. DuPuy, Linda Wales, Kay Holland, and Judy Martin board the bus with souvenirs after a thrilling time at the State Beta Club Convention in Roanoke.

The Senior and Junior Tri-Hi-Y clubs are dedicated to the task of promoting the Christian spirit through out the school.

On December 6, 1962, they were represented by Carolyn Sweitzer, of the Senior Tri-Hi-Y, and Kitty Keller, Joan Witt, of the Junior Tri-Hi-Y, with their sponsor, Mrs. Mize, at the District Conference in Chatham, Virginia. Here they listened to new ideas which were of great help in planning the projects of the club.

Under the leadership of Mrs. Clark and Miss Morris, the Senior Tri-Hi-Y held devotional periods in the morning over the Public Address System. The two clubs filled boxes of food and toys at Christmas and presented them to needy families in the Drewry Mason vicinity. Through all of their projects, they have striven to "create, maintain, and extend high standards of Christian character through the home, school, and community.

One hundred and thirty-one boys are enrolled in Vocational Agriculture at Drewry Mason. Our agriculture program strives to coordinate mathematics, the life sciences, and the physical sciences.

The work is divided into three areas:

I. Class room instruction. Here the boys are taught plant and animal science, farm management, and family living, and the rudiments of farm shop, in the first goal of their motto, "learning to do".

II. Supervised farming. Each boy is required to carry enterprises at home. By doing so he carries out the second phase of the FFA motto "doing to learn, earning to live."

III. The third area in FFA work. Here teams are chosen to enter various contests: forestry judging, degree team, public speaking, dairy judging, farm mechanics and community service. Much emphasis is placed on developing leadership ability, by teaching proper conduct of meetings, using parliamentary procedure. Here the boys exemplify the last phase of their motto, "living to serve".

CHALLENGING SYSTEM PROMOTES

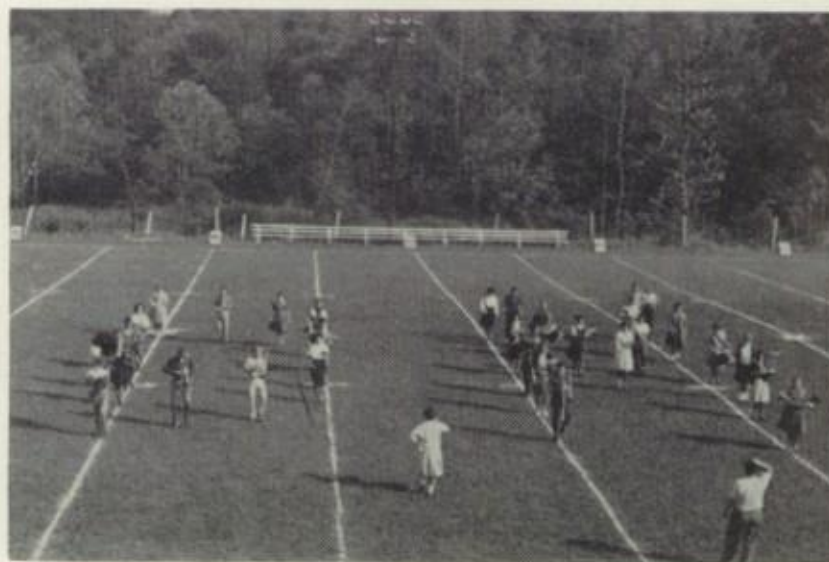

A shrill whistle from the black and white clad drum majorette attracts the attention of everyone in the crowd to the north end of the football field. With the sound of brilliant trumpets, deep basses, high pitched flutes and the steady beat of drums, the Drewry Mason Band begins another football halftime performance. Eight minutes later the band marches from the field, the formations completed. The crowd settles back unmindful of the numerous hours of hard work spent by both director and band in preparation of the show they have just witnessed.

This is only one of the many such performances the band staged this year to add to and promote a fervent spirit here at Drewry Mason.

Under the capable direction of Mr. Richard Spencer, the band excelled in all of its performances and truly deserve words of praise from all here at Drewry Mason High School.

Thirteen members of the band tried out for All-State Band at Breckenridge Jr. High School in Roanoke. Six of these participants demonstrated skill when they were selected for the Concert Band.

THESE HELP TO

The Monitor Commission, consisting of Mr. Dickerson and Mr. Coplin, Faculty advisors, Cecelia Marlowe, Arnold Burgess and Linda Koger; select monitors for the next six weeks.

Below is a typical, crowded hall scene with monitor, Patsy Burgess, directing "traffic".

Our Safety Patrol and Monitors provide and maintain order while we are coming to and are at school. The safety patrols keep pupils orderly and prevent hazards on the buses, such as paper throwing, fighting, students standing up and sticking arms out of windows.

The Safety Patrol members are selected from students, who ride certain buses and who are willing to serve. The bus driver depends on the help of the patrol members on each of the 14 buses which serve our school. The citizens on the various highways of Henry County observe the patrol member stopping traffic for pupils to cross the highways to their homes. Several times a year, authorities hold instructional meetings with all safety patrol members in Henry County.

At school, the monitors prevent running in halls, breaking in the lunch lines, fighting at school and other similar "crimes".

Every school has rules and groups to enforce them. At Drewry Mason, the monitors and Student Court are our law-enforcement officers. They have jobs that receive little thanks.

An important part of school life is the building of a well rounded person. This, the school provides through participation in the various forensic events. The Forensic program was divided into several areas, each with a teacher as sponsor.

The debate team hoped to live up to last year's State Champions, who were from Drewry Mason. The debate topic for this year, Resolved: That the United States should promote a Common Market for the Western Hemisphere.

Forensic events give the student a chance to show his abilities in the dramatic field. The One Act Play cast, consisting of experienced students presented THE WALL at Northside High School, in Roanoke, in March.

Spelling, Prose, and Poetry Reading, with Public Speaking for boys or girls, offered opportunities for participation, to all English Classes. Winners to represent our school were chosen in each of these events.

GROUP OF DEDICATED STUDENTS

The Scroll, a self-supporting newspaper, was published six times during the school year. All work was done outside of class since the journalism classes were discontinued in this year's schedule.

The 1962-63 staff, under the leadership of staff editor, Barbara Martin, and assistant editor, Linda Ford, informed the D.M.H.S. students of both coming and past events. Sports and feature sections were edited by Ernie Seals and Betty Gilley, respectively. Watching the finances was Eleanor Barrow, the business manager, and watching and advising the staff was Mr. William Hallum, the head sponsor.

Eleanor Barrow distributes *The Scroll* to Harriet Robertson and Sandra Dew.

Betty Pruitt and James Murphy view the bulletin board, which features the emblem of the 4-H club.

The Drewry Mason 4-H club met every month under the direction of Mr. R. S. Cofer and Mrs. Octavia Reynolds, sponsors. Business Matters concerning the club were conducted by, President, Pete Green; Vice President, Penny Mize; and Secretary, Libby Lewis. S.C.A. representative was Ann Pulliam. Songleaders Edna Campbell and Linda Smith readily led the club in stirring songs. The 4-H club worked long and hard on their individual projects as they tried to live up to the standards of 4-H work. These projects ranged from sewing to cattle raising and from canning to soil conservation. Though the journey seemed long, through the year, the satisfaction of achievement was payment enough for a job well done by the 4-H club. Pete Green, one of the top club members, was chosen for the Virginia State 4-H All-Stars.

Coach Paul Mücke confers with his graduating seniors: Leslie Wright, end; Roger Wells, tackle; Wayne Martin, guard; Ernie Seals, tackle; James Shelton, tackle; and Johnnie Knight, fullback.

Coach Paul Mücke with assistant Kirk Harman, began his second year as football coach at Drewry Mason. Coach Mücke began his 62-63 season with only 3 returning lettermen, and his entire stock of halfbacks had to be replaced.

Co-captains for the 1962-63 season, were Ernie Seals and Leon Byrd. The Spartans will lose 6 players by graduation, but plenty of action will be seen on the gridiron by the freshmen, sophomore, and junior players that remain to wear Drewry Mason's black and white with pride and good sportsmanship.

FOUR SPARTANS IN TOP

The Spartans had another winning season this year. Determination and hard work placed them as one of the top teams in the district.

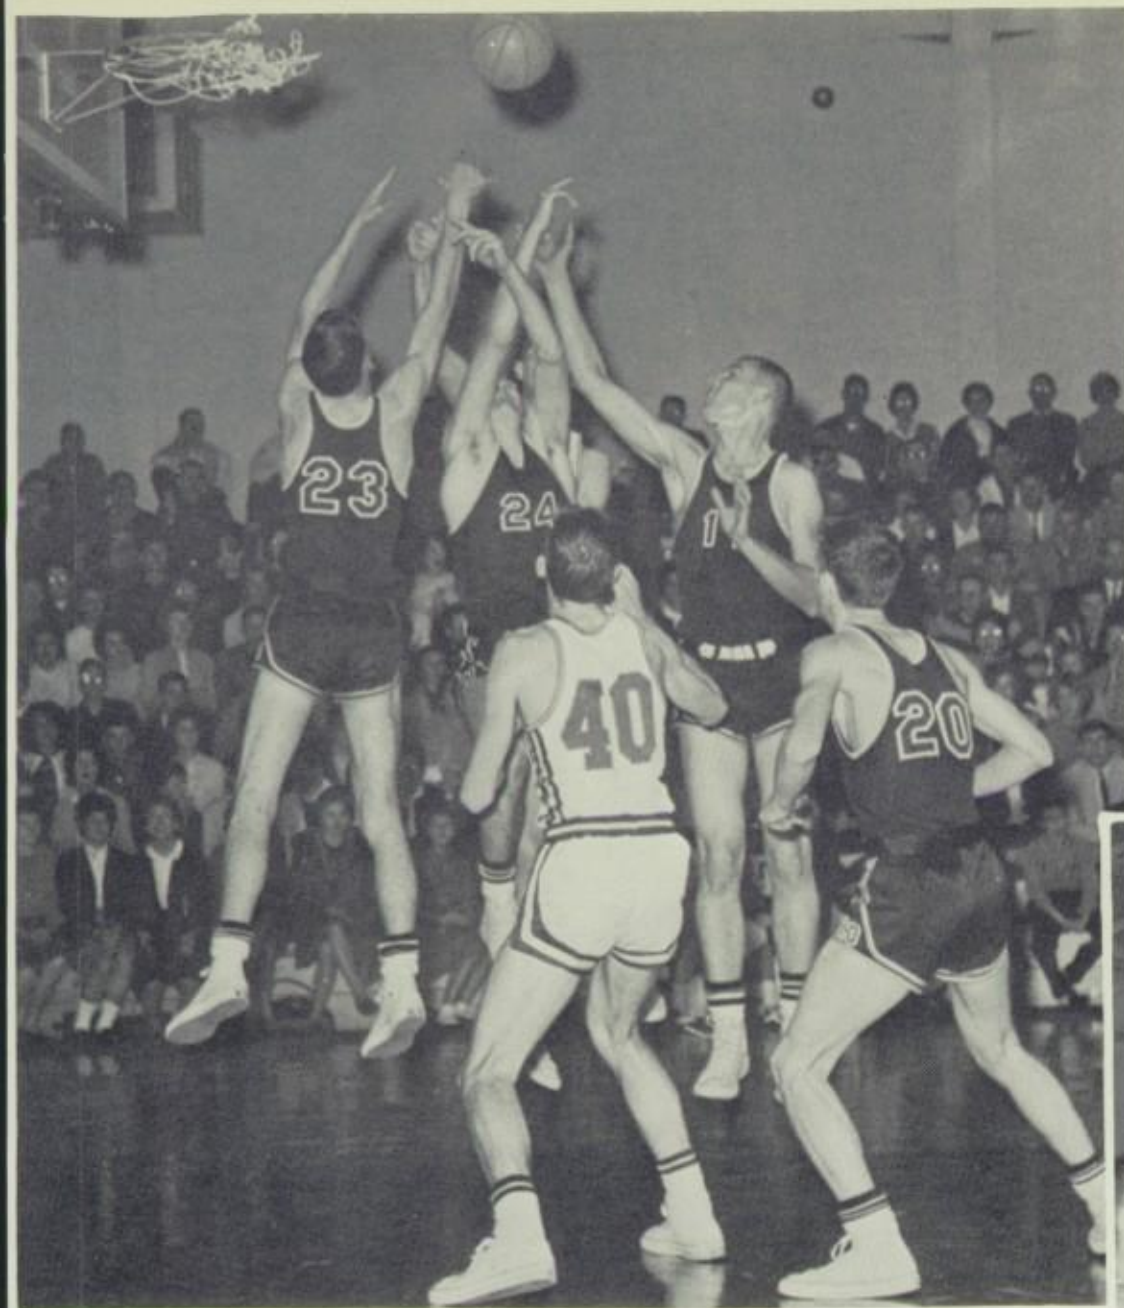

Clearing the boards especially strong for the Spartans were Bill Sizemore, Leon Byrd, and Jimmy Hensley. Bringing the ball up court were Jimmy Tate, Johnny Ward, and E. C. Jordan.

The bench was strong with the talents of Ernie Seals, Jimmy Ford, and Mike Pulliam. George Seals, who was the only freshman on the team, contributed height to the squad.

Bill Sizemore and Leon Byrd were in the top ten scorers in the Blue Ridge District. These boys, being only Juniors, should be a great asset to the ball club next year. The team was a young club this year and bids to be one of the strongest in the district another year.

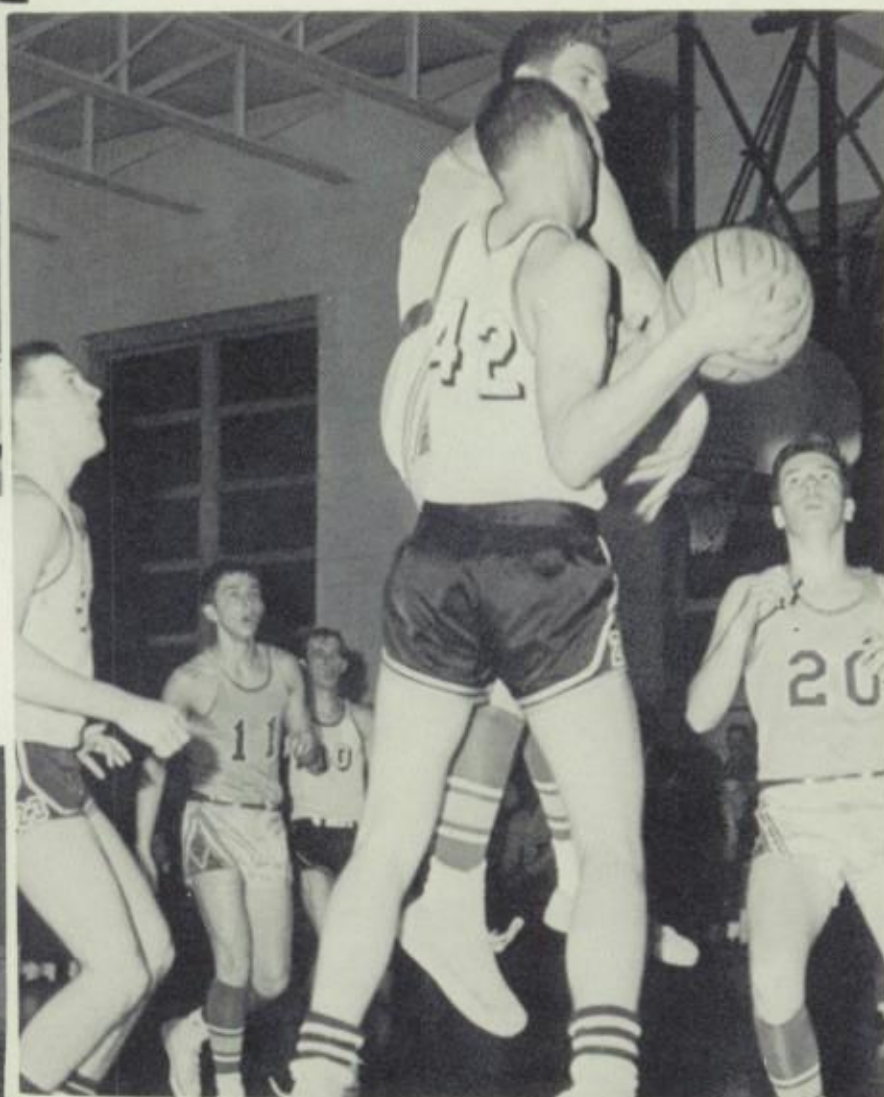

Coach Eddie Levi is in his tenth year as a coach at Drewry Mason has led the team to one of its best seasons in many years.

DILL AND HANDY GO TO STATE MEET

Coaches, Mr. Kirk Harmon and Mr. Henry Newby, point out training schedule to Spartan Thin-clads.

The two year old track team gained momentum with added support from the Touch-down Club and greater student participation. The track team hopes to increase in size and popularity by arousing more interest in this new D. M. sport.

An unused plot of ground has been converted into a needed track field and a quarter mile cinder path is in the making.

Scoring for D. M. in District Track Meet, held at Northside H.S., Roanoke, were: Handy - first in 100 yd. dash; Dill - second in pole vault and 220, fourth in 100 yd. dash; Pulliam - fourth in 880; Sizemore - third in broad jump.

Although losing such versatile stars as Mike Handy, Marvin Holland, Joe Shropshire and Dickie Dill, winner of most valuable player award, Coaches Harmon and Newby are optimistic about '63 season.

SPARTAN'S HARD PRACTICE

When March came in the Spartans were hard at work practicing for the coming season of baseball.

The first game found the D.M. boys as host to Reidsville, North Carolina. This game turned out to be one of the many victories for the Black and White.

Coach Eddie Levi, again, for the tenth time, brought the team through with honors.

Hitting this season was especially good with the help of Mickey Johnston, Tommy Barnes, Ronnie Jarrett, and Bobby Robertson. Johnston led the team with the batting honors as Tommy Barnes went to play for the Pittsburg Pirates Farm Club. Barnes, the MVP in baseball finished with a .370 average and three home runs. Tate, the lanky second

sacker, was the other top hitter, hitting at a .316 clip. Olaf Hurd was the leading hurler in the county with a 4-0 mark. Hurd's curve whiffed 40 and walked only eight. Bobby Robertson was the leading strikeout king on the staff with 49. He finished as the workhorse of the mound staff with a 4-3 record.

Behind the plate was Mickey Johnston; Tommy Barnes at first; Jimmy Tate at second; Ronnie Hennis held down short while Olaf Hurd was Pitching with Bobby Brown and Ernie Seals alternating at third. Outfielders were Tony Comer, Ronnie Jarrett, and Larry Gauldin.

The Spartans ended the season second in the district with a 6-2 in district play and 9-3 overall.

Captained by Kerry Young, the Varsity Cheerleaders have kept up enthusiastic school spirit. Their boundless pep and energy-the result of many hours of practice every week-has certainly paid off, as evidenced by the wholehearted support given them by the spectators.

Due to vacancies in the squad two new cheerleaders were chosen: Myrtle Kilby and Joan Sabow. The Varsity Cheerleaders were sponsored, as in years past, by Mrs. Jake Motley.

The Junior Varsity Cheerleaders, sponsored by Mrs. Walsie Wheeler and captained by Penny Mize, did a magnificent job of cheering their teams on to victory. The squad, composed of three eighth graders, three freshmen, and three sophomores, was the first in the history of Drewry Mason to be so evenly divided among the lower classes. Due to a new district ruling the Junior Varsity Cheerleaders were not allowed to travel to away games, but their pep and energy were very much in evidence at the home games.

"Be Wise, See Mize"

THE MOON... and beyond!

Bright, new horizons await today's students . . . new technologies . . . new medicines . . . even the moon and whatever lies beyond.

How far today's students go in this space age depends partly on their imagination but primarily on their training. Conquering new horizons will demand more of today's graduates — more knowledge, more skills, more training and more specialization.

Our Free Enterprise system, with its high living standards, gives everyone an opportunity to "shoot for the moon" in any field. Whether or not our target is reached depends on how well trained we are to launch ourselves.

THE CHARLES B. KEESEE EDUCATIONAL FUND, INC.

This fund, established by Mr. and Mrs. Charles B. Keesee of Martinsville, Virginia, is in position to aid substantially a large number of boys and girls from Virginia Baptist schools and colleges. The Fund will also aid approved students for the ministry from Virginia or North Carolina who wish to study in any one of the five theological seminaries of the Southern Baptist Convention.

Financial aid is in the form of cash grants to those students who are entering or planning to enter the Baptist ministry or to engage in specific religious work for the Baptist denomination. To all others the aid is in the form of cash loans to be repaid with interest at low rates.

According to the will of Mr. Keesee, students from the Blue Ridge Association will have first consideration when applying for aid from this fund.

THANK YOU

A school annual cannot be created and produced in a few short weeks. To create an annual takes months of hard work and planning to achieve part of the impression our dreams and hopes leave on our minds. To create a yearbook does not only take the entire staff, but each and every member of the student body and faculty. Without co-operation on the part of every individual it is impossible to have a top rated annual.

Many months of thought, and preparation have gone into the creation and production of this 1963 edition of "The Spartanian." The staff gives it to you, the faculty and student body, in hopes that it is part of what you would want. Some changes have occurred in this book for the first time in the edition of a yearbook at Drewry Mason. We hope these changes meet the approval of the majority of faculty and students.

With this, "The Spartanian", for 1962-63 the staff wishes to extend its greatest appreciation to the people and organizations that have made our yearbook possible.

Our deepest and sincerest thanks to you, Mr. Pilson for your time, understanding, and co-operation. To the faculty for their patience on the picture taking days which were a continuous interruption; to the students for trusting us to create an annual you would be proud to call yours and your co-operation in wearing the correct apparel on picture taking days.

We thank Delmar Studios and especially, Mr. Max Ward, for the help and kindness they have shown us when we needed it most.

We are unable to thank Mrs. DuPuy and Miss O'Dell our sponsors, enough for what they have done. We can only say "THANK-YOU MILLIONS" and extend our greatest appreciation.

To our advertisers we are unable to say enough. Without your financial support this annual could not have been produced.

To each and everyone, we the staff of the 1962-63 "The Spartanian" extend our appreciation with just two very sincere words, "THANK YOU".
